

Dear Sir/Madam,

I am writing this letter to introduce myself and to express my motivation for working as an intern at your company.

My name is *** and I am ** years old. I have been studying *** for *** years at Samsun University. I am interested in having summer internship under the Erasmus Student Exchange Programme by the Erasmus Placement grant and in case of getting this grant, I will be able to supply and afford for all my needs (accommodation, travel, etc...) during the internship period.

I would like to do an internship under this program which I expect to expose me to many new challenges and which will provide me with a steep learning curve. I believe this internship would provide me with the ideal opportunity to expand my professional skills. As an intern, I would like to contribute any company's workflow and to learn as much as I can.

In addition, I hope an internship experience at foreign company will provide me an idea about my future studies and will be a crucial step for my future education in a graduate degree or in professional career.

My resume, enclosed herewith for your consideration, includes additional information on my experience and skills. I hope you will take this letter as a sincere proof of my interest and motivation to have an internship under this program.

Thank you for your time and consideration.

Sincerely yours,
