Established in 2018, Samsun University is a growing institution located in the Black Sea Region of Turkey, with 7 faculties, 1 college, and 2 vocational schools. We aim to create a continually evolving academic environment, embracing international collaborations and fostering a multicultural campus for both students and staff. Our areas of focus include aerospace, naval architecture, engineering, design, civil aviation, social sciences and we welcome partnerships across all disciplines.

Samsun University is committed to supporting the professional and academic growth of our community by participating in international programs such as Erasmus+, which enhances linguistic, cultural, and professional competencies. As part of this mission, we actively seek partnerships with institutions worldwide to broaden our students' and staff's academic and cultural horizons.

We are pleased to inform you that Samsun University uses [the Erasmus Without Paper](#) (EWP) Dashboard for managing Erasmus+ agreements. If your institution also utilizes the EWP Dashboard, we would be glad to initiate the agreement via this platform for ease of processing.
